Commodore's Comments

Hi sailors,

Here we go again, another Winter Wonderland with more snow to shovel. It's Beginning to Look a Lot Like Christmas. Personally, I think It's the Most Wonderful Time of the Year because there is no ice on the lake for snow cover and mess up ice sailing, so Let it Snow, Let it Snow, Let it Snow. Pretty soon Santa Claus is Coming to Town with Rudolph the Red-Nosed Reindeer pulling up front for his Sleigh Ride. I hope all your halyards all tied off for a Silent Night so nobody says Do You Hear What I Hear before Little Saint Nick shows up on White Christmas. Most of us have boat projects to work on this winter, but Baby, It's Cold Outside, so I think you should first Deck the Halls with Jingle Bells and Silver Bells, then Have Yourself a Merry Little Christmas before Frosty the Snowman lends you a melting hand with those projects.

I'll see you all at Whealon's Waterfront on Thursday, Dec 14th.

From my family to yours,
We Wish You a Merry Christmas,
Andy Gratton
